August 31, 2006

ROUTE 210 CLOSURE NOTIFICATION – WEEK OF SEPTEMBER 4

Route 210 construction project will require the following closures in Rialto and San Bernardino:

State Street – Full closure

A full closure of State Street north of Highland Avenue in San Bernardino will remain in place through late 2006 for ongoing storm drain improvements. Motorists should use Macy Street via Adams Street and Highland Avenue as the detour. The full closure will remain in effect 24 hours per day.

Highland Avenue – Intermittent closures

Dirt hauling operation on Highland Avenue between California Street and State Route 30 in San Bernardino will occur weekdays through September 8 from 6:30 a.m. to 3 p.m. Flagmen will be stationed along the hauling route to control traffic, enforce safety and direct the extra-long trucks. Extra efforts will be made to give priority to commuter traffic. Signs will be posted to alert drivers of possible delays.

Riverside Avenue – Intermittent and full closures

Paving, striping and electrical work on Riverside Avenue between Walnut Avenue and Highland Avenue in Rialto will require intermittent lane closures on September 5 from 9 a.m. to 3 p.m. In the same area, a full closure of Riverside Avenue will occur the weekend of September 8 at 9 p.m. to September 11 at 5 a.m. Motorists are encouraged to use Baseline and California Street as an alternate route during the full closure.

Southbound Interstate 215 connector to eastbound Route 30

A full closure of southbound Interstate 215/Route 30 connector ramps in San Bernardino will continue through September 22. Motorists should continue on Interstate 215 past the interchange and exit at the 27th Street/Mt. Vernon off-ramp, turn west onto Highland Avenue and turn northeast to enter eastbound Route 30 as an alternate route during this closure.

Eastbound Route 30 to northbound Interstate 215

A full closure of eastbound Route 30 to northbound Interstate 215 connector will continue through September 22. As an alternate route, motorists should continue on Route 30 past the interchange and exit at the H Street off-ramp, head north on H Street, enter westbound Route 30 and then enter northbound I-215.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.

Remember, Safety: It's no accident!
